The board of the Hindu Association and the Temple Action Committee has come up with programs to recognize and honor donors. We would like to thank every one of you for the dedication and the support you have given to this great cause without which the Hindu Association could not have made such rapid progress.

Temple Sponsors

The temple sponsors will be recognized by having their names listed on the plaque that would be located in the lobby. This plaque will be displayed at a location that will be visible to all the patrons visiting the temple. The names will be listed alphabetically and also be grouped according to the level of contribution in the following manner.

\$50,000 and above
\$20,000 and \$49,999
\$15,000 and \$19,999
\$10,000 and \$14,999
\$5000 and \$9,999
\$2,500 and \$4,999

The temple sponsor recognition list will be closed permanently as of December 31, 2009.

There will be other recognition programs available, however the temple sponsor list will be closed. If you would like to be included in the temple sponsor list, please make your contributions before the deadline of December 31, 2009. Also, you have the last opportunity to move up to the higher group by making additional contribution(s) before December 31, 2009.

Temple project recognition

Contribution to this program will go to a specific project and will be recognized as such. The payment can be spread over three calendar years 2007 and 2009. The first installment is due no later than December 2007. Total payment is due before December 31, 2009. If the full payment is not received by December 31, 2009 the Board at its discretion will designate a program that matches the contribution. A Plaque designating each project will be placed in the main lobby of the Temple and names of the contributors will be listed in an alphabetical order.
